## SURF BOAT SPONSORS

Over the years Avoca Beach Surf Life Saving Club has been fortunate to have many individuals, organizations and companies who have provided support to the boat section.

The early years saw the funding of boats provided by the members through fund raising with dances, raffles, bucket collections, art unions, BBQ's on the beach etc.

In the 1960's as more affluent business people purchased holiday homes at Avoca Beach, they became a prime source of sponsorship.

People like Alan Deegan from STC and Monier, Tim Besley from Alcatel & STC, Graham Crouch from Moove Milk, donated ten boats between them.

Our Ladies Auxiliary have contributed strongly over the years as did Ron Smith, Bob Barrett author, The Glen Group, George Brand Real Estate, Australand, the National Truss Company and Skins.
