Board and Ski Series Information

Brief Outline of the Series

In the 2009/10 surf sports season, Central Coast and Hunter Surf Life Saving competitors will once again experience the excitement of the highly contested Board and Ski Series. This three round series will begin on the 14th November 2009 and culminate on the 16th January 2010 with a social presentation following the last event.

This year the Board and Ski Series will be organised by Surf Life Saving Central Coast and the event days will be co-hosted by both Central Coast and Hunter surf clubs.

All rounds will be held on a Saturday. The event formats are significant, strategically designed to fit in with the competitors training cycle and to maximise fun and enjoyment. They include varying race formats such as M-Shape, Test of the Toughest and Drag Race Eliminator which are all designed to be spectator friendly.
