VISION, MISSION & VALUES

VISION

To be a safe place where our members and the community feel like they belong whilst we invest in, and develop, exceptional Surf Lifesavers.

MISSION

Deliver education and training opportunities for our members and community to increase awareness and skills, to ensure no lives are lost at Avoca Beach.

VALUES

We take great pride in being an inclusive club. We are proud, we respect and celebrate.

ADMINISTRATION

ANNUAL GENERAL MEETING 2025/26

Notice is hereby given that the 97th Annual General Meeting of the Avoca Beach Surf Lifesaving Club Inc. will be held on Sunday, 9 August 2026 commencing at 10am at Avoca Beach Surf Lifesaving Club.

BUSINESS

1. Welcoming address by 2025/26 President, Stuart Harvey
2. To confirm the Minutes of the previous Annual General Meeting
3. To deal with any such business arising out of such Minutes
4. To deal with any relevant correspondence
5. To receive and adopt the Annual Report and Financial Statement
6. To adopt the Affiliation with SLSCC, SLSNSW and Surf Life Saving Australia
7. To elect Director positions for the 2026/27 season
8. To review and accept Life Membership Nominations
9. To transact any further urgent business which may be brought before the meeting.

FEES FOR THE 2026/27 SEASON

Active Members, Patrol Captains, 100% Patrol Attendance, over 35 hours, Long Service, Reserve Active & Award Members (including U18 Cadets)	\$60
Associate Member (must be over 35 yrs)	\$120
Community Member	\$60
Nipper Parent (per parent)	\$60
Nippers aged 5 and up	\$100
Gym - all Active Patrolling Memberships	\$0
Gym - Cadet (age 13-15)	\$45
Gym - Associate & Nipper Parents (non-patrolling Members)	\$320
Fob – New, lost or replacement fob (hardware only)	\$20

Please Note - All active patrol memberships including active reserve and long service receive free gym membership. All members receive a 10% discount at The Surf Club, Avoca Beach. Member discount does not apply on any Public Holiday.

Only financial Active, Long Service, Active Reserve, Honorary Life Members and Award Members are entitled to vote at any General Meeting. Associate Members cannot vote except if they have had seven (7) years active service.

Nominations for office bearers must be received by the Director of Administration, Chris Parker, 30 days prior to the Annual General Meeting. Nominations must be received by Friday 10 July 2026. This can be done via email diradmin@avocabeachslsc.asn.au or in person.

If no nominations are received 30 days prior, the President may call for nominations from the floor.

Life Members

Throughout the years, certain Members have distinguished themselves by their outstanding services to Avoca Beach Surf Life Saving Club and their devotion to its ideals. The Club honours such Members by bestowing on them the coveted office of 'Life Member'.

MINUTES 96TH ANNUAL GENERAL MEETING 2024/25

Name:	Avoca Beach
Date:	Sunday, 10 August 2025
Time:	10:05 am to 10:59 am (AEST)
Location:	Avoca Beach SLSC, Vine St, Avoca Beach
Board Members:	Jason Lauder, John Mitchell, Mark Mackaness, Michelle Mitchell, Phil Webster, Skye Marshall, Stuart Harvey - Avoca, Trent McRae
Apologies:	Andrew Manser, Katy Allen
Guests:	Kristy Probst, Robert Dorrell, Brett Beswick, Michael Tamblyn, Andy Hoban, Wendy Norman, Chris Tasker, Garry Clarke, Colin Barker, Stan Priestley, Rob Burns, Jim McAtamney, Brian Munton, Wayne Kemp, Nigel Ball, David O'Grady, Robert Cairncross, Mick Kendal, Phil Ayres, Brad Mitchell, Chris Parker, Mark Felton, Brad Gee, Sally Webster, Susan Thomas, Dennis Barker.
Notes:	APOLOGIES - Michael Hunter, Craig Anderson, Gordon Jones, Howard Jones, Andrew Manser, Richard Brierty, Sharon Brierty, Paul Kendal, Katy Allen, Doug Hocking, Jim Mitchell, Jeff Smith, Matt Mitchell.

1. Welcoming address

1.1 Welcoming address by 2024/25 President Stuart Harvey

Stuart Harvey: Welcome. Start the meeting at 10.05am

Matilda Harvey: Welcome to country

- Welcome to all Life members, members and the board. Great to see a good turnout from life members
- This year has shown the strength, commitment, and passion of our members
- Membership total: 1,252 members | 543 females | 676 males
- if you are able please be standing for 1 minute silence for those members who have passed. Also thinking of our National President at this time who passed away suddenly on Friday.

2. Confirm the minutes of the previous meeting

2.1 Confirm the minutes of the 2023/24 Annual General Meeting

Annual General Meeting 2023/2024 4 Aug 2024, the minutes were confirmed as presented.

Moved by Colin Barker, seconded by Jim McAtamney

3. To deal with any such business arising out of that meeting

3.1 To deal with any such business arising out of that meeting

No further business arising out of those minutes.

4. To deal with any relevant correspondence

4.1 To deal with any relevant correspondence

Two proxy votes received for life membership nomination - Howard and Gordon Jones

5. General Business

5.1 To receive and adopt the Annual Report and Financial Statement

Stuart Harvey report:

Lifesaving - patrols & beach safety

14 Patrol Teams, over 9,800 volunteer hours, 1,427 preventative actions, 50 rescues performed, No lives lost on patrol – a proud achievement. A special thanks to Patrol Captains for their leadership and professionalism.

- Thank you for your dedication – whether on patrol, coaching, administration, or behind the counter, you've made a difference this season
- Let's carry our proud legacy forward

Education - building lifesaving skills

- 529 proficiencies completed
- 44 Bronze Medallions
- 8 IRB Drivers
- 15 IRB Crew
- 6 Radio Operators
- 8 Advanced Resuscitation
- 33 Surf Rescue
- 19 Resuscitation awards

Key Educators: Jason Lauder, Joe Murray, Trent McRae, Jeff Barnes. Their tireless efforts uphold our high training standards.

Passion and dedication from all members.

Nippers - our future lifesavers

- 397 Junior Members
- Actively participated and completed age-relevant awards
- Competed across surf sports events

Acknowledgements:

- Age Managers and Coaches – for mentorship and guidance

MINUTES 96TH ANNUAL GENERAL MEETING (cont.)

- Program continues to be one of the strongest on the coast

Surf Sports - local & national representation

Amazing results. 12 boat crews, one of the strongest clubs, massive presence on the beach. Building new lifesavers. Strong presence at local and national surf sports carnivals

- Focus on fitness, training, and lifesaving readiness
- Highlight achievement:
 - Gold Medal – Open Female Double Ski
Ella Beere & Natalia Drobot – Australian Championships, North Kirra

Thank you to:

- Coaching team (Beach, Craft, Swim, Boats)

Club operations & financials - growth off the beach

Outstanding result for the Surf Club. The numbers speak for themselves.

Key 2024/25 figures:

- Total turnover \$3,343,709
- Increase over \$500,000 from previous year
- Overall profit of \$267,933
- Significant growth in restaurant

Sponsors

Michelle Mitchell has done a great job getting new sponsors on board - one for a new surf boat. Cental Auto Group reached out to us. We hope to keep the sponsors on for future years. We currently bring in \$160,000 in sponsorships.

- Strong community and sponsor engagement
- Vital contributions to patrols, training, and outreach
- Thank you to all our partners for believing in our mission
- Their support makes continued success possible

Looking ahead:

- Ambitious goals for 2025/2026
- Confidence in our leadership, members, and community

Staff

- Thankyou to everyone that makes this Club the great place it is.
- Thankyou to our Staff - Kristy Probst, Elle Mitchell, Emma Denniss, Pavarne Lambert, Michael Hunt
- Thanks to the Board. Special mention to Katy Allen in her role of Administration for 6 years. Thanks Katy
- We are excited to start another season.
- Trying to decrease time spent by volunteers and move some tasks to the administration team. Administration team doing over 100 hours each week.

Service & pride for the club

- No lives lost on Avoca Beach while on patrol
- Success due to teamwork, preparation, and passion

To our 1,252 members:

- Thank you for your dedication – whether on patrol, coaching, administration, or behind the counter, you've made a difference this season
- Let's carry our proud legacy forward

Finance Report

- Total Turnover of \$3,326,564
- Total Profit of \$267,933
- \$600,000 increase in turnover from previous year
- \$137,000 in sponsorship dollars
- \$30,000 in donations
- \$75,000 spent on Carnival Entry Fees

Implement long term strategies and investment into the following areas:

- Overall equipment upgrades and maintenance (across all areas of the club)
- Restaurant upgrades
- Increased competition support including strengthening the high performance programs
- Continued investment into long term major upgrade funds

Maintenance and restaurant upgrades will be made with the profit

Very healthy numbers. The board has done a fantastic job with surf life saving - BBQ around \$55,000 and merchandise around \$66,000. Around \$30,000 in the restaurant on Easter Saturday. Amazing effort from everyone involved. Can't thank the board enough for the effort they put in to the surf club

Brad Mitchell: Competitors had to pay their way in the past - congratulations for covering so much of this

Rob Burns: The numbers are so good I don't have a question

Mark Mackaness: Commercial operations

Mission: To be recognised as the best surf club hospitality venue in NSW

Purpose: Generate returns for ABSLSC that can be reinvested back into competition & water safety to ensure Avoca Beach is one of the highest performing & safest beaches in Australia

Strategy: 'MORE PEOPLE, MORE OFTEN, FOR MORE OCCASIONS'

Returns that get 100% invested back into the club to create the safest beach and most competitive club on the coast.

Always asking in the team how do we grow. 33% growth this year

Making sure we do the right things from an efficiency perspective as well

Improved menu, lunchtime trading on weekends has increased. Live music, functions and events have increased and have been successful.

Great venue for functions - weddings, parties and wakes have underpinned some of the growth.

It's been tough from a cost perspective - we try to keep pricing in line with the increases. We need to stay competitive but also recover costs. Changes in suppliers and buying better have been some of the strategies. Trying to keep local suppliers and using Lion Nathan.

Profit & Loss

2025 net profit of \$318,909.89

Moving forward doing the budget this coming Wednesday at the August board meeting. We have the basics in play already so there won't be as big an amount of growth. Big growth won't come without big capital upgrades. Keep community focus as heart whilst still growing.

New venue manager starting end of August - Alex Rogerson.

MINUTES 96TH ANNUAL GENERAL MEETING (cont.)

Understanding who we are and who we are not. We are a different venue - we cater to our members and local community plus the large numbers of tourism.

From a leadership perspective, Alex will be great. Thank you to Stu Harvey for filling the space as well as the Leadership team - Kristy Probst, Emma Denniss, Michael Hunt and Pavarne Lambert - they have been driving the success and stepping up to fill in as needed while the role was vacant. On the outside operations may have seemed to be running smoothly but that's because there was a lot of work going on in the background from the team.

Bobby Dorrell: It's been wonderful to be a member since 1953 and to see the way it's become a business has been a wonderful experience in my lifetime. The Annual Report was printed by Bob Pickett - I want to congratulate the club and the board being run by competent people. Thank you.

Stuart Harvey:

Annual reports are on the website - a jotform will be coming around so you can purchase a colour printed version for around \$20.

We've given back \$43k back in member discounts. No discounts on a discount which has caused some confusion. Over \$1m on wages spent, this might change some things with the tax but we are moving into that bracket with all the growth. We have been working hard with our staff to pull back on wages by sending staff home when business is slow. Emma has stepped in to manage HR for the last 8 weeks. Going forward we will need a General Manager due to the growth in the business. This will happen down the track.

Mike Tamblyn: I commend the Annual Report - terrific job from the sub committees and then prepared by Kristy. Fantastic job. A document to be proud of.

Bob Dorrell: I know nothing of computers and like to read a copy when it's printed

5.2 General Business

No general business

6. To adopt the Affiliation with Surf Life Saving

6.1 To receive and adopt the affiliation with SLSCC, SLSNSW and SLSA

Move that we affiliate with SLSCC, SLSNSW and SLSA - Moved by Wendy Norman, seconded by Nigel Ball. All in favour.

7. To elect Director Positions for the 2025/2026 season

7.1 To elect Director Positions for the 2025/2026 season

Senior Vice President - outgoing - John Mitchell - thanks to John for the time he spent in this role.

Director of Administration - Katy has been on the board for 6 years and did a tremendous job as administrator, meeting minutes, she was an age manager and patrol member amongst other duties. Thanks for her service.

Vacant positions

- Senior Vice President nomination - Mark Mackaness. All in favour. Congratulations to Mark
- Director of Lifesaving nomination - Trent McRae. All in favour. Congratulations to Trent
- Director of Education nomination - Jason Lauder. All in favour. Congratulations to Jason
- Director of Admin - No nominations. Stuart Harvey nominates Chris Parker - Phil Ayres seconder - Chris accepts the position. All in favour. Congratulations to Chris

Congratulations to all board members - they are all excited to get back into the roles for the coming season.

8. To review and accept Life Membership nominations

8.1 Review and accept Life Membership Nomination

Life Membership nomination - Stuart Harvey

Garry Clarke: does the nomination go in the annual report this year?

Stuart Harvey: no, next year.

Mark Mackaness: Nomination proposed by Howard Jones and seconded by Mike Tamblyn.

Mike Tamblyn: Very important to be nominated for life membership. Howard and I were happy to put this forward. Spike (Howard) is away today. A lot of the information on Stuart's nomination is online.

Mark Mackaness: We ask the members to approve the nomination by a show of hands

100% of attendees voted for the nomination of life membership to Stuart Harvey. 34 members and two proxies.

Congratulations to Stuart Harvey on his life membership of the club

Stuart Harvey: Thank you very much - I don't do this for the accolade, it's part of my life. I think back to my life as a nipper at Copacabana and I loved it so much. We had lots of fun at carnivals. Copa was my second home and I was a lifeguard there for 10 years. Then went to Soldiers Beach to race IRBs but always knew I'd come back to Avoca. My time at SLSCC from age 25 I did Surf Sports and Director of Education then Director of Lifesaving. We travelled around and told our story. Back at Avoca it has been great. It has been an out after I had an injury. I'm passionate about kids coming through and what we do on the beach. Leading the youth the right way is very important to me. It takes up a lot of time. Thanks to Susan and Matilda too.

9. To transact any further urgent business which may be brought before the meeting

9.1 Transact further urgent business which may be brought before the meeting

Andy Hoban: Our future and the next 3 years. 27/28 is our hundreth year. Club was formed January 1929. Over the last couple of years Mark Walters has been working on writing a book similar to the 50 years historical book. He needs the support of the board on how we will celebrate the 100 year season. For the 50th we had a march past, celebrations etc.

Can we form a celebration committee - are there any grants available, what are we going to do to celebrate, create a coffee table book. What other ideas does the board have?

Can we put out an EOI to the members? Committee of five and create a portfolio of members. Decide what type of clothing will we have etc.

Stuart Harvey: The board will be talking about this to ensure we celebrate in true fashion and in the way it needs to be. We will call out for a committee.

Bob Cairncross: Life Members' Luncheon is Sunday October 19th commencing at midday

10. Close the meeting

10.1 Close the meeting

Next meeting: August 2025 Board of Directors Meeting - 13 Aug 2025, 6:00 pm

PRESIDENT'S REPORT

CLUB PRESIDENT, STUART HARVEY

“...CULTURE IS SOMETHING THAT CANNOT BE MANUFACTURED — IT IS BUILT OVER TIME THROUGH THE CONTRIBUTION OF MANY, AND IT REMAINS ONE OF OUR GREATEST STRENGTHS”

It is with great pride that I present the President's Report for the 2025/2026 season of Avoca Beach Surf Life Saving Club.

This season has been one of exceptional growth, performance, and community impact. Our total membership reached 1,320 members, representing a 24% increase over the past four years. This continued growth reflects the strength of our club culture, our inclusivity, and the commitment of our members across all areas of the organisation.

Beyond the numbers, what stands out most is the level of engagement across the club. From our newest junior members through to our Life Members, there is a shared sense of pride and ownership that continues to drive Avoca Beach forward. This culture is something that cannot be manufactured – it is built over time through the contribution of many, and it remains one of our greatest strengths.

LIFESAVING OPERATIONS

At the heart of everything we do is our commitment to keeping our beach safe. This season, our 14 Patrol teams once again delivered an outstanding performance, completing just under 10,000 hours of volunteer patrols.

Our members carried out 1,040 preventative actions and performed 57 rescues throughout the season. Most importantly, we are proud to report that there were no lives lost on Avoca Beach while our patrols were on duty.

These results are a direct reflection of the professionalism, vigilance, and dedication of our Patrol Captains and patrol members. Their ability to make sound decisions, often in high-pressure situations, ensures that

our beach remains one of the safest on the Central Coast.

We also acknowledge the leadership shown by our Patrol Captains, who continue to set high standards in both performance and team culture. Their role in mentoring younger members and maintaining operational readiness is critical to our ongoing success.

EDUCATION AND TRAINING

Education remains a cornerstone of our success and operational readiness. This season saw significant achievements across all levels of training, including:

- 620 proficiencies completed
- 50 Bronze Medallions awarded
- 14 IRB awards
- 13 Advanced Resuscitation Certificates
- 39 Surf Rescue Certificates awarded

These are outstanding results and demonstrate the depth of capability within our club. The strength of our education program ensures that we not only meet, but exceed, the standards required to deliver effective lifesaving services.

I would like to acknowledge the entire Education team for their tireless efforts. The volume of training delivered this season is a testament to their dedication and leadership. Their work provides the foundation that underpins everything we do on patrol.

JUNIOR DEVELOPMENT (NIPPERS)

Our Junior program continues to thrive and remains a vital part of the club's future. This season, we had 450 young members actively participating in Nippers.

Our juniors continue to develop their surf awareness, lifesaving skills, and confidence while proudly representing Avoca

Beach at surf sports events across the region. Just as importantly, they are building friendships, resilience, and a connection to the club that will carry through into their senior years.

The introduction and success of the Rookie Program has been a highlight, with 40 young members achieving their Surf Rescue Certificate and progressing into active lifesaving roles. This transition from junior to senior ranks is a critical pathway, and it is pleasing to see it continue to strengthen.

I extend my sincere thanks to all Age Managers, coaches, and volunteers who invest countless hours into developing our next generation of lifesavers. Their contribution often goes unseen, but it is invaluable to the long-term sustainability of our club.

SURF SPORTS AND COMPETITION

Our athletes have once again delivered exceptional results across all areas of surf sports, including beach, craft, boats, pool rescue, masters, and lifesaving events.

The club has produced Australian and State Champions this season, highlighting the strength and depth of our competitive program. These achievements are not only a reflection of individual talent but also of the strong coaching structure that supports our athletes.

Beyond results, it is important to recognise the role that surf sports plays in preparing our members for lifesaving duties. Fitness, discipline, and teamwork developed through competition directly translate to improved capability on patrol.

Thank you to all coaches and support staff for your commitment to developing performance and fostering a positive training environment.

RECOGNITION AND AWARDS

A highlight of the season was the recent Surf Life Saving Central Coast Awards Night, where Avoca Beach Surf Life Saving Club was recognised across multiple categories, taking home a number of prestigious awards.

These results reflect the strength of our club across all areas – lifesaving, education, juniors, surf sports, and administration. To be acknowledged at this level is a credit to the collective effort of our members and the high standards we continue to set.

Most notably, the club was honoured with the major award of Club of the Year. This recognition is a significant achievement and reinforces Avoca Beach SLSC's position as a leading club on the Central Coast.

This success belongs to every member who contributes their time and effort throughout the season. It is a reflection of a club that is not only performing, but leading.

CLUB OPERATIONS AND COMMUNITY

Off the beach, the club has continued to grow as a key community hub. Our hospitality operations have once again exceeded expectations, providing a high-quality experience for members, visitors, and the broader community.

This growth has allowed the club to reinvest into facilities, equipment, and member services, ensuring we continue to meet the needs of both our lifesaving operations and our community. The balance between commercial success and community purpose remains a key focus for the Board.

The success of our venue is driven by the dedication of our office, kitchen, and front-of-house staff, who work tirelessly behind the scenes to ensure the smooth operation of the club. Their contribution is critical to our ongoing financial strength and ability to reinvest into lifesaving services.

GOVERNANCE AND LEADERSHIP

Strong governance continues to underpin the success of the club. I would like to acknowledge the Board of Directors for their time, professionalism, and commitment throughout the season. Their focus on strategic planning, financial oversight, and risk management ensures the club remains well positioned for the future.

We also value our strong relationship with Central Coast Council and the broader Surf Life Saving community. These partnerships are essential in supporting our operations and delivering outcomes for our members and the public.

VOLUNTEERS AND CLUB CULTURE

Avoca Beach SLSC is, at its core, a volunteer organisation. The hours contributed by our members across patrols, training, surf sports events, administration, and operations are extraordinary.

It is this volunteer spirit that defines our club. Whether it is early mornings setting up for Nippers, long days on patrol, or time spent coaching and mentoring, every contribution plays a role in our success.

We also recognise the ongoing involvement of our Life Members and the Ladies Auxiliary, whose continued presence and support reinforce the strong sense of history and community within the club.

SPONSORS AND SUPPORTERS

We are extremely fortunate to have the ongoing support of our sponsors and community partners. Their contributions play a vital role in enabling us to deliver training, maintain equipment, and provide lifesaving services.

We sincerely thank all of our sponsors for their continued support and belief in our club.

LOOKING AHEAD

While this season has set a new benchmark, we remain focused

on continuous improvement. Key priorities moving forward include strengthening member retention, continuing to develop our junior pathways, investing in facilities and equipment, and maintaining the highest standards of lifesaving capability.

With the strength of our membership and leadership group, we are well positioned to meet these challenges and continue to grow.

FINAL REFLECTIONS

The 2025/26 season has exceeded expectations across all areas of the club. From lifesaving operations to education, junior development, and competition, our members have once again demonstrated what makes Avoca Beach Surf Life Saving Club so special.

To all 1,320 members – thank you. Your commitment, passion, and community spirit are what drive this club forward.

Last year, we spoke about the challenge of matching previous success. This year, we have gone beyond that – we have set a new benchmark.

With the strength of our membership, leadership, and community support, I am confident that the seasons ahead will continue to build on this momentum.

Let us continue to protect, serve, and represent Avoca Beach with pride.

Stuart Harvey
CLUB PRESIDENT

ADMINISTRATION REPORT

DIRECTOR OF ADMINISTRATION, CHRIS PARKER

“WE ARE FORTUNATE TO HAVE SO MANY PASSIONATE MEMBERS WHO CONTRIBUTE SIGNIFICANTLY TO BETTER AVOCA BEACH SLSC IN THEIR CHOSEN AREA, PURELY BECAUSE THEY LOVE WHAT THEY ARE DOING”

It has been an absolute privilege to serve on the Avoca Beach SLSC Board for the first time this season. This experience has given me a deeper appreciation of the time, effort, and commitment our Board of Directors invests to support our members and ensure the continued success of the club.

This role has also reinforced my gratitude for Avoca Beach SLSC. We are fortunate to have so many passionate members who contribute significantly to better Avoca Beach SLSC in their chosen area, purely because they love what they are doing. Their dedication and enthusiasm are what makes our club so special.

It's because of these collective efforts and passion for our club that we achieved so much in 2025/26. I can't believe how many skilled lifesaving patrol members we have these days, and it was incredible to see so many blazers handed out at the Club Presentation this year for winning an Aussie Gold. Our Junior Activities are also thriving with massive numbers and amazing talent.

From an administrative perspective, it is pleasing to report that the club continues to operate with sound governance and financial management. This is reflected in our recent recognition

at the SLSCC Awards of Excellence, where we were named Club of the Year and our President was awarded Administrator of the Year. A big congratulations to our many other award winners at this event.

We remain committed to maintaining high standards of compliance, including adherence to the policies of our governing bodies and regulatory requirements across organisations such as the Australian Charities and Not-for-profits Commission (ACNC), NSW Fair Trading, Liquor & Gaming NSW, and Central Coast Council.

Over the past few years our club has experienced substantial membership growth, with numbers now exceeding 1,300 members. This increase in membership has strengthened our club in many areas but has also led to some growing pains in which we need to adapt to and plan for the years ahead.

I would like to acknowledge Gordon Jones for his work in coordinating member surveys across Junior Activities, Lifesaving, and Surf Sports (including craft and surfboats). The strong response has provided valuable insights that will help inform the club's priorities and planning over the coming seasons.

The Board recognises the importance of continually reviewing and evolving key frameworks, including our Strategic Plan, operating plans, club structure, and by-laws, to ensure we remain well-positioned for future growth and success. We hope to have some of these ready for the start of the season.

I would like to thank our staff, particularly Kristy and Elle, for their outstanding support in managing the club's administration and servicing our members.

Finally, well done to all members for your continued contribution, commitment, and success during the 2025/26 season. It's a privilege to be part of such an incredible surf club.

Cheers Boys, Cheers Girls,

Chris Parker

DIRECTOR OF ADMINISTRATION

LIFESAVING REPORT

DIRECTOR OF LIFESAVING, TRENT MCRAE

“BEHIND EVERY STATISTIC IS A VOLUNTEER WHO MADE THE DECISION TO STEP FORWARD AND HELP SOMEONE IN NEED”

It has been another rewarding and successful season for the patrol members of Avoca Beach Surf Life Saving Club, and I am incredibly proud of what we have achieved together.

First and foremost, I would like to thank every single patrolling member who volunteered their time throughout the season. Whether you completed one patrol or many, your commitment to protecting the public and supporting your fellow members is what makes our club such a respected and trusted part of the community. Every hour spent on the beach represents time given freely to keep others safe, and that dedication should never be taken for granted.

This season our patrol teams watched over more than 192,000 visitors to Avoca Beach. During that time our members carried out:

- 57 rescues
- 97 first aid incidents
- 1,040 preventative actions

These numbers tell an impressive story, but they only capture part of what our members do. Behind every statistic is a volunteer who made the decision to step forward and help someone in need. Whether it was providing reassurance to a distressed swimmer, delivering first aid, preventing someone from entering dangerous conditions, or performing a rescue in challenging surf, our members consistently demonstrated professionalism, teamwork and compassion.

Our preventative actions continue to be one of our greatest successes. Every conversation with a beachgoer, every relocation between the flags and every warning issued helps prevent emergencies before they happen. These actions often go unnoticed by the public but are one of the most important aspects of keeping our beach safe.

This season also showcased the strength of our leadership team. In particular our patrol captains who lead our teams on every patrol. Their commitment, professionalism and leadership ensure our beach stays safe all season. They also

mentor and train our members in every facet of lifesaving.

A special thank you goes to Chris Josling, who stepped up into the role of Patrol Captain. Chris embraced the responsibility from day one, leading patrols with confidence, supporting our members and ensuring our high standards were maintained.

Congratulations to George Ruzek, our Patrol Captain of the Year. George has consistently demonstrated outstanding leadership, sound decision-making and a genuine commitment to mentoring and supporting members on patrol. His calm approach and willingness to lead by example have made him a deserving recipient of this recognition.

I would also like to acknowledge the outstanding work of our IRB crew. Thank you to Richard Green and Sander Schellekens for their continued commitment to maintaining our IRB capability and supporting patrol operations. The IRB remains one of our most valuable rescue assets, and the time they invest in training, maintenance and operational readiness plays a significant role in keeping our beach safe.

A sincere thank you to Karen Douglas, whose management of our first aid capability has been exceptional throughout the season. Karen works tirelessly behind the scenes to ensure our first aid room is well equipped, our supplies are maintained and our patrols are always prepared to provide the highest standard of patient care.

Thank you also to Jason Lauder for ensuring every member remains proficient in their lifesaving skills. Jason has dedicated countless hours to training members and leading the rollout of the new Surf Life Saving CPR techniques. His passion for education and maintaining operational excellence gives our members the confidence and skills required when lives depend on them.

One of the highlights of the season was our Rescue of the Year on New Year's Eve. This incident

demonstrated everything that surf lifesaving is about. Faced with a challenging situation during one of the busiest days of the year, our members worked together as a highly coordinated team. Every person involved played an important role, with excellent communication, leadership and professionalism resulting in a successful outcome. It was a reminder that while individual skills are important, it is teamwork that ultimately saves lives. Congratulations to everyone involved in this outstanding rescue and thank you for representing our club with such professionalism.

I would also like to give special recognition to those members who volunteered to patrol on Christmas Day. Giving up time with family and friends to ensure our beach remained safe is an extraordinary act of service. Your willingness to put the community first embodies the true spirit of surf lifesaving, and it is greatly appreciated by both the club and the thousands of people who enjoyed Avoca Beach that day.

Finally, I would like to thank our entire patrol membership. From our newest Bronze Medallion holders to our most experienced members, everyone contributes to making our patrols successful. The willingness to support one another, continue learning, mentor newer members and always put the safety of the public first is something that makes Avoca Beach Surf Life Saving Club such a special place.

The achievements of this season are something we can all be proud of. They reflect not only the hard work of our volunteers but also the strong culture of teamwork, professionalism and service that continues to define our club.

Thank you all for another outstanding season.

FINANCE REPORT

CLUB PRESIDENT, STUART HARVEY

The 2025/26 financial year has reinforced Avoca Beach SLSC's position as a financially strong, stable, and well-governed organisation. Building on the solid foundation established in previous years, the Club has delivered another period of excellent financial performance, underpinned by disciplined management, transparent decision-making, and continued growth across all key areas of operation.

The Club's financial structure continues to be effectively managed across three primary categories:

- Restaurant Operations
- Club Operations
- Competition Support

All three areas have contributed positively to the overall financial outcome, with strong revenue performance and controlled expenditure resulting in a healthy surplus position. This outcome is further validated through the detailed auditor's report, which confirms the integrity of the Club's financial practices and reporting.

The Restaurant remains a critical driver of financial success, delivering consistent growth and providing a reliable income stream that supports the broader activities of the Club. Club Operations continue to be managed prudently, ensuring that essential services, maintenance, and administration are delivered efficiently while maintaining cost control. Importantly, the Club has also maintained its commitment to Competition Support, ensuring that athletes and teams are appropriately resourced while balancing financial sustainability.

This year's performance reflects not only strong revenue growth but also a continued focus on governance and accountability. Financial decisions have been made with a long-term view, ensuring the Club remains well-positioned to meet both current obligations and future opportunities.

With this strong financial base, Avoca Beach SLSC is well placed to continue implementing its long-term strategic priorities. These include investment in restaurant

upgrades, ongoing equipment upgrades and maintenance, and increased support for competition pathways, including the continued development of the high-performance program. The Club also remains committed to building reserves for future capital works and long-term infrastructure improvements.

Overall, the 2025/26 financial year represents another outstanding result for Avoca Beach SLSC. The Club is in a strong financial position, supported by clear strategy, responsible governance, and a commitment to sustainable growth.

Also a huge thank you to Andrew Manser who served as Director of Finance from September 2022 to February 2026. We appreciate Andrew's hard work and dedication to the role.

Stuart Harvey
PRESIDENT

Executive Committee Report

Your executive committee members submit the financial report of the association for the financial year ended 30 April 2026.

Executive Committee Members

The names of executive committee members as at the date of this report are:

Stuart Harvey	President
Mark Mackaness	Vice President House
Jason Lewis	Vice President Sponsorship
Chris Parker	Director of Administration
Vacant	Director of Finance
Trent McRae	Director of Lifesaving
Skye Marshall	Director of Competition
Phil Webster	Director of Youth Education
Jason Lauder	Director of Education

Principal Activities

The principal activities of the association during the financial year were the operation of a surf life saving club, by providing a safe beach and aquatic environment for the local community, and facilitating Surf Life Saving Courses run by Surf Life Saving Central Coast Inc.

Significant Changes

No significant change in the nature of these activities of the Surf Club occurred during the current financial year.

Operating Result

The surplus from ordinary activities of the association for the financial after providing for income tax amounted to \$6,172 (2025: Surplus \$267,933).

Signed in accordance with a resolution of the Executive Members.

President

Vice President House

Dated: 19 July 2026

**Independent Auditor's Declaration to the
Members of Avoca Beach Surf Life Saving Club Incorporated**

We hereby declare that to the best of our knowledge and belief during the year ended 30 April 2026, there have been:

- (i) no contraventions of the auditor independence requirements as set out in the *Australian Charities and Not-for-profits Commission Act 2012* in relation to the audit; and
- (ii) no contraventions of any applicable code of professional conduct in relation to the audit.

Notes To The Concise Financial Statements For The Financial Year Ended 30 April 2026

1. Summary of Significant Accounting Policies

This concise financial report is an extract derived from the full financial report of Avoca Beach Surf Life Savings Club Incorporated for the year ended 30 April 2026. The financial statements and specific disclosures have been prepared in accordance with AASB 1039 Concise Financial Reports and the *Australian Charities and Not-for-profits Commission Act 2012*, the *Associations Incorporations Act 2009 (NSW)*, the *Charitable Fundraising Act 1991* and associated regulations.

The full financial report, including detailed accounting policies and independent auditor's report, is available upon request from the Club or can be viewed online at the *Australian Charities and Not-for-profits* web site.

The concise financial statements have been prepared on an accrual basis and are based on historical costs, except where otherwise noted. All amounts are presented in Australian Dollars (\$) and are rounded to the nearest thousand dollars, unless otherwise stated.

The principal accounting policies adopted in the preparation of these financial statements are consistent with those of the previous financial year.

- a) Revenue Recognition: Revenue is measured at the fair value of the consideration received or receivable. Revenue are recognised when the performance obligations of a contract are satisfied.
- b) Inventories are measured at the lower of cost and net realisable value
- c) Buildings are measured on the cost basis and are therefore carried at cost less accumulated depreciation and any accumulated impairment losses. In the event that the carrying amount of buildings is greater than its estimated recoverable amount the decrease in value is shown in the profit and loss statement as a revaluation decrease

Plant and equipment are measured on the cost basis and are therefore carried at cost less accumulated depreciation and any accumulated impairment losses. In the event the carrying amount of plant and equipment is greater than its estimated recoverable amount and impairment losses are recognised in the profit or loss as revaluation decreases if the impairment losses relate to the revalued asset. A formal assessment of recoverable amount is made when impairment indicators are present.

The depreciable amount of all fixed assets, including buildings and capitalised lease assets is depreciated on a straight line or diminishing-value basis over the asset's useful life to the entity commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The depreciation rates used for each class of depreciable asset are:

Class of Fixed Asset	Depreciation Rate
Plant and Equipment	5 – 66%
Office Equipment	15%
Furniture & Fittings	5 – 66%
Leasehold Improvements	10%
Surf Patrol & Sports Equipment	20%

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at end of each reporting period.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These gains or losses are recognised in profit or loss in the period which they arise. When revalued assets are sold, amounts included in the revaluation reserve relating to that asset are transferred to retained earnings.

- d) Income tax, As the company is a charitable institution in the terms of subsection 50-5 of the Income Tax Assessment Act 1997, as amended, it is exempt from paying income tax.
- e) Trade and other payables represent the liabilities for goods and services received by the company during the reporting period that remain unpaid at the end of the reporting period. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

Avoca Beach Surf Life Saving Club Incorporated
ABN 76 358 503 029

Notes To The Concise Financial Statements
For The Financial Year Ended 30 April 2026

7. Disclosures under the NSW Charitable Fundraising Act 1991

Fundraising appeals conducted by the Club during the year led to a number of donations. Net fundraising is applied to the operational expenses of the Club in its core lifesaving activities. Comparisons of certain monetary figures and percentages in accordance with the requirements of the *NSW Charitable Fundraising Act 1991* are set out below.

	2026 \$	2025 \$
Aggregate gross income from bequests*	-	-
Aggregate gross income from fundraising	35,863	56,778
Aggregate gross income from donations	62,967	52,200
Less total direct cost of fundraising	(17,940)	(6,326)
	80,890	102,652

* Bequests are excluded from the *Charitable Fundraising Act 1991*

8. Related Party Disclosures

(a) Transactions with related parties

Transactions between related parties are on normal commercial terms and conditions no more favourable than those available to other parties unless otherwise stated.

The committee members have not acquired any goods or services from the Club during the year and if they were to do so, any goods or services received would be on the same terms and conditions available to the Club's customers and members.

(b) Key Management Personnel

The total remuneration for all key management personnel for the year ended 30 April 2026 was \$Nil (2025: \$Nil).

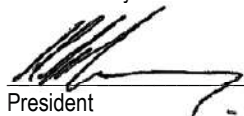

Avoca Beach Surf Life Saving Club Incorporated
ABN 76 358 503 029

Statement by Members of the Executive Committee

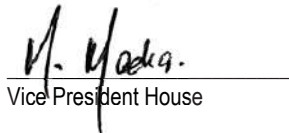

In the opinion of the Executive Committee:

- (i) the incorporated association is not a reporting entity because there are no users dependent on general purpose financial statements. Accordingly, as described in note 1 to the concise financial statements, the attached special purpose financial statements have been prepared for the purposes of complying with the *Australian Charities and Not-for-profits Commission Act 2012*, the *Associations Incorporations Act 2009 (NSW)*, the *Charitable Fundraising Act 1991* and associated regulations;
- (ii) the attached financial statements and notes comply with the Australian Accounting Standards as described in note 1 to the financial statements;
- (iii) the attached financial statements and notes comply with the requirements of the *Australian Charities and Not-for-profits Commission Act 2012* and the *Charitable Fundraising Act 1991*;
- (iv) the attached financial statements and notes give a true and fair view of the incorporated association's financial position as at 30 April, 2026 and of its performance for the financial year ended on that date;
- (v) there are reasonable grounds to believe that the incorporated association will be able to pay its debts as and when they become due and payable;
- (vi) the financial statements give a true and fair view of all income and expenditure with respect to fundraising appeals; and
- (vii) the internal controls exercised by the incorporated association are appropriate and effective in accounting for all income received and applied by the incorporated association from all fundraising appeals.

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

President

Vice President House

Dated: 19 July 2026

**Independent Audit Report To The Members
Of Avoca Beach Surf Life Saving Club Incorporated**

Report on the Financial Report

Qualified Opinion

We have audited the accompanying financial report of Avoca Beach Surf Life Saving Club Incorporated (the Club), which comprises the statement of financial position as at 30 April 2026, statement of profit or loss & other comprehensive income, statement of changes in members' funds and statement of cash flows for the year then ended, notes comprising a summary of material accounting policies and other explanatory information, and the committee members' declaration.

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the financial report of Avoca Beach Surf Life Saving Club Inc. is in accordance with *Australian Charities and Not-for-profits Commission Act 2012*, including:

- (a) giving a true and fair view of the Club's financial position as at 30 April 2026 and of its performance for the year ended on that date; and
- (b) complying with Australian Accounting Standards as set out in Note 1 and the requirements of the *Associations Incorporation Act (NSW) 2009*, and the *Australian Charities and Not-for-profits Commission Regulation 2013*.
- (c) the *Charitable Fundraising Act 1991*, including
 - (i) the financial report shows a true and fair view of the financial result of fundraising appeals for the year to which they relate; and
 - (ii) the financial report and associated records have been properly kept during the year in accordance with this Act and the regulations; and
 - (i) money received as a result of fundraising appeals conducted during the year has been properly accounted for and applied in accordance with this Act and the regulations; and
 - (ii) Avoca Beach Surf Life Saving Club Incorporated is solvent, as it is able to pay its debts as and when they fall due.

Basis for Qualified Opinion

The financial statements of the Avoca Beach Surf Life Saving Club Incorporated include \$108,951 of inventories as at 30 April 2026. Fortunity Assurance did not observe the counting of physical inventories at the beginning or the end of the year, however, have assessed valuation of inventory. Due to the nature of the Club inventory, we are unable to satisfy ourselves by alternative means the inventory quantities recognised as at 30 April 2026. As a result, we were unable to determine if any adjustment with respect to the existence of inventory recorded is necessary and related impact on the statement of profit or loss & other comprehensive income.

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Club in accordance with the auditor independence requirements and ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independent Audit Report To The Members Of Avoca Beach Surf Life Saving Club Incorporated

Emphasis of Matter

The financial report of Avoca Beach Surf Life Saving Club Incorporated is a special purpose financial report that has been prepared in accordance with the accounting policies described in Note 1 to the financial report.

Other Information

The Committee Members are responsible for the other information. The other information comprises the information included in the Club's annual report for the year ended 30 April 2026 but does not include the financial report or our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears materially misstated.

If, based on the work performed, we conclude that there is a material misstatement of this other information, we are required to report on this fact. We have nothing to report in this regard.

Committee Members' Responsibility for the Financial Report

The Committee Members of the Club are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Australian Charities and Not-for-profits Commission Act 2012* and for such internal control as the committee members determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report the Committee Members are responsible for assessing the Club's ability to continue as a going concern, disclosing, as applicable matters related to going concern and using the going concern basis of accounting unless the Committee Members either intends to liquidate or to cease operations, or has no realistic alternative but to do so.

The Committee Members are responsible for overseeing the Club's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from Fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal controls.

**Independent Audit Report To The Members
Of Avoca Beach Surf Life Saving Club Incorporated**

Auditor's Responsibility for the Audit of the Financial Report (continued)

- Obtain an understanding of internal controls relevant to the audit in order to design the audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Club's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the committee.
- Conclude on the appropriateness of the Club's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Club's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any deficiencies in internal control that we identify during our audit.

SPONSORSHIP & FUNDRAISING REPORT

VICE PRESIDENT, SPONSORS & FUNDRAISING, JASON LEWIS

“OUR SPONSORS PLAY A VITAL ROLE IN ENABLING US TO DELIVER LIFESAVING SERVICES, MEMBER DEVELOPMENT PROGRAMS, COMMUNITY EDUCATION INITIATIVES AND COMPETITIVE OPPORTUNITIES FOR OUR MEMBERS”

On behalf of the Board, I would like to sincerely thank all sponsors, donors and community partners who have supported Avoca Beach Surf Life Saving Club throughout the 2025/26 season. Your ongoing commitment to our Club continues to play a vital role in enabling us to deliver lifesaving services, member development programs, community education initiatives and competitive opportunities for our members.

SPONSORSHIP PERFORMANCE SUMMARY

- Number of active sponsors and supporters: 23
- New sponsors secured during the season: 1
- Sponsorship renewal rate: 91%

The Club continued to achieve a high level of sponsorship and retained over 90% of existing sponsors, reflecting the strength of our partnerships and the value delivered to our sponsors

Sponsorship and donor support remain a critical component of the Club's financial sustainability. These contributions help reduce reliance on membership fees and fundraising activities while allowing the Club to invest in facilities, equipment, training and programs that directly benefit our members and the wider community.

Throughout the season, sponsorship funding and donations have assisted the Club to continue providing essential lifesaving services, support the training and development of our members, deliver community education programs such as Nippers, maintain and upgrade surf rescue equipment, support our growing

competition programs, and invest in initiatives that strengthen the long-term capability of the Club.

The Board remains focused on building strong and enduring relationships with our sponsors while seeking opportunities to diversify and grow sponsorship revenue. We recognise that successful partnerships are built on mutual value, shared community outcomes and genuine engagement. During the year, we continued to strengthen relationships with our existing sponsors while also welcoming new partners to the Avoca Beach SLSC family.

We are especially grateful to our longstanding sponsors and supporters whose loyalty and generosity over many seasons have helped shape the Club we know today. These valued supporters include Avoca Beach Locksmiths and Hardware, Avoca Beach Pharmacy, Blue Seas Food Services, Central Auto Group, Combined Demolition Services, Di Jones Real Estate, George Brand Real Estate, Life Medical Imaging, Mark and Evette Moran of the Mark Moran Group, McGrath Real Estate, Revl Training, The Kiosk, Avoca Beach Butchery, Bennett Surf Co, Garry and Loretta Besson, Marese Apartments Strata, The Olsson Group, and the Terrigal and Avoca Beach Medical Centres.

We also acknowledge and warmly welcome Rhino Facilities who joined us during the season. Their support demonstrates the strength of our Club's reputation within the local community and provides confidence for future growth.

LOOKING AHEAD, THE BOARD WILL CONTINUE TO FOCUS ON:

- Retaining and strengthening existing sponsorship relationships;
- Expanding sponsorship opportunities across the Club's activities, facilities and programs;
- Diversifying sponsorship income to support long-term financial sustainability;
- Enhancing sponsor recognition and engagement initiatives; and
- Building partnerships that align with the Club's values and commitment to serving our community.

The Board extends its sincere appreciation to every sponsor, donor and supporter who has contributed to the Club throughout the year. We are incredibly proud of the work our members undertake both on and off the beach, and we could not achieve these outcomes without your support.

Finally, we encourage all members to support those businesses and individuals who support our Club. Whether through patronage, referrals or simply expressing your appreciation, supporting our sponsors helps ensure these valuable partnerships continue to flourish for the benefit of the entire Avoca Beach SLSC community.

THE SURF CLUB AVOCA BEACH BAR & BISTRO REPORT

VICE PRESIDENT — HOUSE, MARK MACKANESS

“IN A TIME OF TOUGH ECONOMIC CHALLENGES FOR THE
HOSPITALITY SECTOR, THE SURF CLUB CONTINUES TO GROW...”

“SURF CLUB MANTRA”– More People, through the doors, more often, for more occasions. I'm very proud to report that the mantra adopted by the leadership team and the staff of The Surf Club, has continued to grow our business in both topline, customers and reputation. Getting the balance right between servicing our growing membership base and offering a great dining and entertainment experience for our holidaying guests is very important and something we continue to focus on. In a time of tough economic challenges for the hospitality sector, The Surf Club continues to grow through that balance with a program and events on a weekly basis and a menu that caters for everyone.

In 2026 we have seen the following results:

- Annual Revenue of \$2,989,785 (record High) and growth of 12.2% over 2025.
- Annual Net Profit is down on last year with increasing food costs through our peak season. More work has now been done to strike a better balance between cost and quality which we do not compromise on. We have put together a better budget for 2027 regarding food costs and improved reporting and management in this space.

At this point I'd like to take the opportunity to thank the great leadership team and enthusiastic staff that offer amazing service every day with a smile. Our Venue Manager, Alex Rogerson commenced with us in August last year and had immediate impact. With a wealth of venue

management experience both in Sydney and the Coast, he has managed to shift the culture within the front of house and kitchen teams, while also bringing new concepts and events to the club. If you haven't introduced yourself to him, please reach out and do so. Ably supporting Alex we have formed a team that helps lead and coordinate The Surf Club day to day operations. Emma, Kristy and Elle from the front office ensuring financials, reporting, communications and administration to support the business, while Pavarne continues to drive functions for the club. This has been a continued pathway of growth in 2026. Juggling staff through the peak of summer season and the low of winter is tough. The challenge to keep good staff in the quieter times means therefore always a lot of new faces and ongoing training required. Getting this balance right isn't easy and Alex and the team work hard to stabilise as best we can to ensure quality service always. Regardless of the challenge, the team do an amazing job and bring a great attitude to every shift – THANK YOU.

Hopefully you are aware of the heightened marketing program that rotates on a weekly basis. Some new additions have been a huge success, including:

- Seniors weekly meal specials
- Wednesday Steak special
- Thursday Trivia
- Weekday 'Happy Hour'
- Members discount night
- The Sunday Roast
- And many more.....

Along side these weekly specials we have also had a number of major events that The Surf Club have run and catered in the most professional manner. Such events as Nipper branch and state presentations and the Nipper and Senior Club Presentation nights in May. Anzac Day continues to be the biggest day in terms of takings (a record high for 2026) with our family friendly two-up arena following the dawn service where our kitchen cooks up the bacon, sausages and eggs to support successful fundraising for Legacy. I'd like to take the opportunity to thank Rocky Wolters and his brother Larson for the tireless but great work they do running the two-up pen. It continues to get bigger and bigger each year and I know Rocky already has big plans for 2027.

For the past two years we have really set ourselves the goal to 'Win with Food'. It is no point having great events or the perfect venue without a quality menu to support it. Pramod is our new Head Chef and has worked closely with Alex in the past and has brought a higher level of professionalism to our kitchen with his management of staff reflected in the much-improved kitchen culture. However, also his menu management to ensure consistent variety, new additions, high quality but strong focus on food margin management.

As our club continues to grow, so does the need for The Surf Club. It's important we continue to grow our offer to support our members and the financial needs of the club through surf sports and patrols. As a result of this we are undertaking some minor renovations in the coming months to improve bar service by extending the bar, allowing more room and more

beer taps. Offering greater variety and faster service. We are also pushing out Kitchen preparation areas to allow more food to be easily prepared quicker. With this extension of space we also have the opportunity to bring some new and exciting offers to our menu – more on this in the coming six months.

The Surf Club is very clear on its purpose;

- Provide a great venue to be enjoyed by members and guests for any occasion.
- Financial support into Surf Sports and operations of the club that go to ensuring our beach is one of the safest beaches in Australia with an outstanding Surf Patrol Operation.

With all the great progress The Surf Club continues to make, it wouldn't be possible without the support, dedication and tireless work of our President – Stuart Harvey. Stu's constant drive for improvement and the time he dedicates to support our bar and bistro operation is greatly appreciated and really makes a difference. Finally, we thank ALL our great staff for the effort and work they put in to making a visit to The Surf Club a memorable experience. Most importantly we thank our MEMBERS for their ongoing support of the venue.

Everyone is a frustrated chef or venue manager and always have suggestions on improvements and we welcome these. At the end of the day, the club exists for the members, The Surf Club is the key enabler for many things that make our club great... so when you are thinking about your next meal out and you have the four usual suspects in the local area... prioritise your club and enjoy our great quality food in the most amazing venue while helping us achieve our water safety and surf sports goals.

Mark Mackaness
VICE PRESIDENT – HOUSE

EDUCATION REPORT

DIRECTOR OF EDUCATION & CHIEF TRAINING OFFICER, JASON LAUDER

“EDUCATION REMAINS ONE OF THE MOST IMPORTANT FOUNDATIONS OF THE CLUB”

The 2025/26 season has been another highly productive and successful year for Education at Avoca Beach Surf Life Saving Club. Education remains one of the most important foundations of the club, supporting operational readiness while also developing the confidence, leadership, and lifesaving capability of our members. Throughout the season, the commitment shown by our trainers, facilitators, assessors, and volunteers ensured members had access to quality training opportunities in a supportive and professional environment.

A major focus at the beginning of the season was the completion of member proficiencies. Ensuring all active members remain current and confident in their lifesaving skills is essential to maintaining strong patrol standards and delivering safe and effective services on the beach. This season, the Education Team introduced an increased focus on practical and detailed CPR refresher training, delivering more than 50 one-hour in-depth CPR sessions throughout the season. These sessions provided members with valuable hands-on experience and the opportunity to refresh critical skills in resuscitation, patient assessment, and emergency response procedures.

The CPR sessions were extremely well received by members across all patrol groups. Many members commented positively on the practical nature of the training and the additional time spent reinforcing scenarios and real-life applications. The strong attendance at these sessions demonstrated the commitment of our members to maintaining a high standard of operational capability and highlighted the positive culture of ongoing learning within the club.

In addition to proficiency training, the club continued to deliver a broad range of awards. These courses are essential in developing new lifesavers while also providing existing members with opportunities to further expand their qualifications and operational skills. The Education Team worked hard throughout the season to coordinate training schedules, assessment opportunities, and water safety support to ensure members could successfully complete their awards.

The continued strength in Surf Rescue Certificate and Bronze Medallion numbers has been particularly pleasing. These awards form the backbone of surf lifesaving operations and provide members with the skills and confidence required to participate in patrols and emergency responses. It has been encouraging to see many younger members progressing through these courses and becoming active contributors to the club's patrol teams.

The completion of Advanced Resuscitation, IRB, and Radio awards has also strengthened the club's operational capability across multiple areas. These qualifications provide essential advanced skills that support patrol effectiveness and emergency response readiness during the busy patrol season.

The Education Team would like to sincerely acknowledge the outstanding contribution of all trainers, facilitators, assessors, and water safety personnel who dedicated significant time and effort throughout the season. Delivering educational programs requires many volunteer hours both on and off the beach, including course preparation, administration, mentoring, assessment coordination, and practical training support. The willingness of members to contribute their

experience and knowledge continues to be one of the greatest strengths of the club.

EDUCATION AWARDS

- **Facilitator of the Year** – Trent McRae
- **Assessor of the Year** – Jason Lauder
- **Trainer of the Year** – Joe Murray

Their dedication, professionalism, and ongoing support of member development have made a significant contribution to the success of education at Avoca Beach Surf Life Saving Club.

The Education Team also extends its thanks to all members who attended courses, participated in proficiencies, and supported training activities throughout the year. The positive culture within the club continues to create a welcoming and supportive environment for members undertaking awards and progressing their skills.

Looking ahead to the 2026/27 season, the focus will remain on maintaining strong proficiency standards, increasing opportunities for member development, and continuing to build capability across all operational areas of the club. With the continued support of our volunteers and members, the future of education at Avoca Beach Surf Life Saving Club remains extremely positive.

COMPETITION REPORT

DIRECTOR OF COMPETITION, SKYE MARSHALL

“EVERY EFFORT, EVERY RACE, EVERY TRAINING SESSION AND EVERY MOMENT OF ENCOURAGEMENT HAS CONTRIBUTED TO THE CONTINUED GROWTH OF OUR COMPETITION PROGRAM AND THE CULTURE WE ARE SO PROUD TO CALL AVOCA”

As we reflected on the 2025/26 season, Avoca Beach Surf Life Saving Club entered the season with genuine momentum, ambition and pride. Across every competition portfolio, our focus remained clear: to continue growing our club, developing our competitors, strengthening our pathways, and creating opportunities for every athlete to achieve their best in the green, blue and gold cap.

The growth of our competition program has been evident across all areas of the club. From our youngest Nippers learning the foundations of surf sports, through to Youth, Opens, Masters, Boats, Beach, Craft, Board, Ski, Swim, Pool Rescue and Iron athletes, there is a shared commitment to building depth, confidence and capability. Every portfolio has played an important role in creating a stronger, more connected and more competitive Avoca Beach SLSC.

During the season, Avoca Beach SLSC proudly hosted 12 carnivals, an outstanding reflection of the club's capacity, reputation and commitment to supporting surf sports on the Central Coast and beyond. These events included the NSW Interbranch Championships and all SLSCC Branch Championships, providing our club with the opportunity to welcome athletes, officials, families and supporters from across the state to our beach.

Hosting carnivals of this scale was a significant undertaking and a true whole-of-club effort. It reflected the strength of our volunteers, officials, water safety teams, IRB drivers and crew, gear stewards, age managers, team managers, parents, supporters, sponsors and the many work parties who gave hours of their time across each carnival.

From early set-up and equipment movement to pack down, clean-up and support throughout the day, these efforts were essential in ensuring each event ran smoothly. It also provided our competitors with a unique opportunity to race at home, showcase their skills, and contribute to the energy and pride that made Avoca Beach such a respected competition club.

Across the season, our athletes represented Avoca Beach SLSC at local, branch, state, national and representative events. Our club cap was worn with pride across the full breadth of surf sports, including Pool Rescue, Iron events, Summer of Surf, Beach competition, Surf Boats, Craft, Board, Ski, Swim, Masters competition and Championship events.

Following strong and successful campaigns across both the State and Australian Championships, our athletes and coaching teams demonstrated that Avoca Beach continued to build as a high-performing and united competition club. These results were not achieved by chance. They were the product of preparation, consistency, resilience, teamwork and the willingness of our competitors to keep challenging themselves and each other.

A sincere and heartfelt thank you to our outstanding team of Coaches, Boat Sweeps, Age Managers, Youth Managers and Team Managers, spanning from our Nippers through to our Masters. Your commitment, passion and willingness to give so much of yourselves has been instrumental in the growth, confidence and success of our athletes throughout the season.

The time and energy you have invested in others cannot be overstated. From developing

training programs and athlete goals, to attending early mornings, late afternoons, weekends and carnivals, your efforts have ensured our competitors were prepared, supported, confident and able to continue striving towards their personal and team goals.

This level of commitment comes with real sacrifice. It often means time spent away from families, partners, children, friends and your own personal commitments, all for the betterment of others and for the continued strength of our club. Please know that this sacrifice is deeply valued, genuinely respected and never taken for granted.

To our Craft Coaches, Beach Coach, Age, Youth and Team Managers across our youth through to our opens, thank you for the passion, energy and commitment you have poured into this season. Craft competition is a demanding and exciting space, spanning both water and sand activities, and the growth we have seen across the squad this year has been outstanding. From board, ski, swim, iron and team-based events through to beach sprints, flags, relays, preparation, transitions and confidence required on the sand, our athletes have continued to build strength, speed, skill, resilience and belief in themselves.

This growth has not happened by chance. It has come from countless hours of planning, coaching, goal setting, mentoring and encouragement, often across early mornings, afternoons, weekends and long carnival days. Your ability to create structured training, support individual athlete goals and bring energy to every session has helped our competitors feel prepared, confident and connected, while also building a squad culture that is welcoming, hardworking and genuinely exciting to be part of.

A huge thank you to Trevor Gee and to everyone who has helped support our athletes across every facet of Craft competition. Your guidance, knowledge, detailed training plans, humour,

encouragement and unrelenting energy on the beach have made a significant difference. The squad has grown not only in numbers, but in confidence, capability and connection, with athletes pushing themselves further than they may have thought possible and enjoying the process along the way.

A special thank you also to Julie Jowett, or JJ, our Opens Beach Coach, whose decades of knowledge, experience and passion have been invaluable to our beach athletes this season. Working with a small but incredibly dedicated team, JJ has helped create an environment built on focus, belief, discipline and genuine care for each athlete's development. The results achieved by this group have been nothing short of inspirational, reflecting not only their talent and commitment, but also the guidance, encouragement and depth of expertise JJ continues to share. Her contribution has strengthened our beach program and provided a powerful reminder that with the right support, passion and belief, even a small team can achieve extraordinary things.

As we look towards next season, there is enormous opportunity to keep building on this momentum. With further changes, continued support and a strong focus on pathways, we can keep strengthening the Craft program so more athletes are supported to step in, step up and continue developing across both water and sand disciplines. The future of Craft competition at Avoca Beach SLSC is incredibly exciting, and this season has laid a powerful foundation for what comes next.

To all our Boat Sweeps, Matt Mitchell, Mitch Renouf and Andrew (Coko) Collins, thank you for the incredible time, energy and leadership you continue to give to our club. We are extremely fortunate to have such a depth of knowledge, experience and passion within our Boat section, and your dedication to developing others, supporting

crews and strengthening the broader competition program is deeply appreciated. Thank you also to Trent McRae and Matty Parker for the important behind-the-scenes work you contribute throughout the season.

The culture that oozes from the Boat Shed is something truly special. It is built on friendship, commitment, humour, hard work, fitness, fun and fierce racing, but more than that, it is built on people who genuinely care about each other and the club around them. The pride, connection and energy created within this group continues to flow through Avoca Beach SLSC and sets a powerful example of what positive club culture can look like.

As a club, we continue to support, value and appreciate all that our Boat section does. Your contribution strengthens our athletes, our competition program and our club community, and we are incredibly proud to have the Boat Shed as such a vibrant and respected part of Avoca Beach SLSC.

To our incredible Masters, thank you for the dedication, consistency and passion you continue to bring to training, fitness and competition. You train hard, compete fiercely and lead by example, showing our younger athletes what commitment, resilience and lifelong involvement in surf sports can look like. The energy, discipline and community spirit you bring to the club is inspiring, and your presence continues to strengthen the culture of Avoca Beach SLSC.

Your knowledge base, experience and genuine love of the sport are invaluable. Whether through encouragement on the beach, guidance at training, support at carnivals or the simple willingness to share what you have learned, you help shape athletes across every stream of our competition program. Your passion continues to create connection between generations, build confidence in those coming through, and

remind us all that success in surf sports is built not only on results, but on commitment, teamwork, mentorship and community.

To our incredible supporters across every stream of competition, our parents, partners, families, friends and fellow club members, thank you. Whether you were packing trailers, washing uniforms, cheering from the sand, calming nerves, finding missing caps, carrying boards, filming races, supplying snacks, stepping up as officials, providing water safety, driving or crewing IRBs, or pretending not to be nervous on the start line, your contribution has been invaluable. These roles are not always glamorous, and they often come with early starts, long days and a fair bit of sand in places it should not be, but they are absolutely essential. The success of our athletes is built not only on their training and determination, but on the quiet, constant and often unseen support that surrounds them. Thank you for the time, commitment, encouragement and patience you give so generously. Our competitors simply could not do what they do without you.

To our Life Members and all those who have come before us, thank you. The history and culture of Avoca Beach SLSC has been shaped by the dedication, achievements and commitment of so many people over many years, and our current competitors continue to benefit from the foundations you have built. Your stories, guidance, knowledge and continued presence remind us that every result, every carnival, every cap worn with pride and every athlete who steps onto the sand is part of something much bigger than one season. The successes we celebrate today stand on the efforts, sacrifices and achievements that came before us, and that legacy continues to inspire and strengthen our club. Your ongoing support, encouragement and connection to our athletes, young

COMPETITION REPORT (cont.)

DIRECTOR OF COMPETITION, SKYE MARSHALL

and old, is deeply valued, always welcomed and never unnoticed.

To our valued club sponsors, thank you for your continued support and belief in Avoca Beach SLSC. Your contribution plays an important role in helping us create opportunities for our competitors, strengthen our programs and continue building a club environment where athletes can develop, perform and take pride in representing Avoca. We are extremely grateful for the relationships we share with our sponsors and look forward to continuing, strengthening and building on these partnerships into the seasons ahead.

To the incredible volunteers who step up in so many ways to ensure our competitors can take to the sand and water, thank you. To our carnival registrars, officials, water safety teams, IRB drivers and crew, gear stewards, fundraising helpers and every person who quietly puts their hand up when something needs to be done, your contribution is the backbone of our competition program. You give your time, energy and expertise with generosity and pride, often in roles that happen behind the scenes but make every race, every carnival and every opportunity possible. Your commitment reflects the very best of Avoca Beach SLSC, a club built on service, community, teamwork and care for others. I am deeply grateful to everyone who contributed this season.

Last, but certainly not least, to our incredible athletes across every stream and every age group, thank you. This season has been one of building, growing and strengthening the foundations for what lies ahead, and each of you has played an important role in that journey.

On behalf of our wonderful club, I am immensely proud of every athlete who trained, competed, supported a teammate, challenged themselves, stepped outside

their comfort zone or simply kept turning up. Every effort, every race, every training session and every moment of encouragement has contributed to the continued growth of our competition program and the culture we are so proud to call Avoca.

Throughout the season, I have been continually blown away by the teamwork, determination, encouragement and sportsmanship displayed by our athletes. At training, at local carnivals and when representing our club away from home, the culture of support has been unmistakable. We have seen arms flung around shoulders in pure delight, cheer squads loud enough to turn heads, pats on the back, handshakes of congratulations and kind words offered when things did not go to plan. This did not go unnoticed. Other clubs and officials have commented on the positive, respectful and supportive culture that is being built at Avoca Beach SLSC, and that is something every athlete should be incredibly proud of.

Each time our athletes put their toes on the line, they gave their absolute all. More importantly, they held their heads high, carried themselves with pride, supported one another, and represented themselves, their families and our club with respect both in and out of the competition arena. The results achieved this season are worth celebrating, but just as important is the character, courage and connection shown along the way.

As we look to the future, there is so much to be excited about. This season has strengthened our pathways, grown confidence across our age groups and shown the depth of talent, heart and potential within Avoca Beach SLSC. If we continue to build on this momentum, support one another, learn from those around us and empower more athletes to step forward, the future of competition at Avoca is incredibly bright.

As we move into the 2026/27 season, the opportunity ahead is to build on this momentum and continue driving further growth across every area of competition. Our focus will be on strengthening athlete pathways, creating more opportunities for development, and empowering our current members, competitors, coaches, managers and volunteers to step up, share their knowledge, and help support the next generation coming through. With the depth, passion and commitment already within our club, Avoca Beach SLSC is well positioned to keep growing as a connected, confident and highly competitive surf sports club.

Thank you once again and see you on the beach.

Skye Marshall
DIRECTOR OF COMPETITION

BOAT REPORT

BOAT CAPTAIN, MATT PARKER

“SUCCESS IN SURF BOATS HAS NEVER BEEN BUILT SOLELY ON WHAT HAPPENS BETWEEN THE TURNING CANS, AND THIS SEASON WAS ANOTHER REMINDER OF THAT”

From the first pre-season sessions through to the final races at Aussies, it wasn't just about results – it was about the way our rowers, sweeps, supporters and families came together to create an environment where people wanted to be involved.

One of the most pleasing aspects of the season was seeing so many rowers embrace the standards and expectations that have become synonymous with Avoca surf boats. Whether it was turning up for pre-dawn training sessions, attending patrols, helping at fundraising events, working the BBQ, maintaining equipment or supporting teammates, there was a willingness across the section to contribute. Success in surf boats has never been built solely on what happens between the turning cans, and this season was another reminder of that.

The commitment shown by our younger athletes was impressive. With a significant portion of our rowing group made up of Under 23 competitors, the future of the section looks exceptionally strong. Watching these younger crews develop throughout the season while learning from some of our experienced rowers and sweeps was one of the highlights of the year.

A key development this season was the introduction of a more structured and professional training approach through Grant “Wilko” Wilkinson. Wilko brought a perspective and designed a comprehensive gym, ergometer and rowing programs that challenged our athletes to improve and maximise their potential. The results were evident throughout the season, but our rowers gained a better understanding of what it takes to perform consistently at a high level.

We were also fortunate to spend time working with Mike Shirvington, whose breathwork and leadership workshops encouraged us to look beyond physical performance. Through these sessions we explored our values, behaviours and purpose as a group, taking the opportunity to define what we want the Avoca surf boat section to represent. These conversations reinforced what many of us already knew – that our greatest strength lies in our people and the culture we continue to build together.

The season delivered several memorable moments that will be remembered for years to come.

At the Australian Surf Life Saving Championships, our Under 19 Female crew, the “CCSS”, achieved something by claiming the Australian Title and bringing home a Gold Medal. To stand on top of the podium at Aussies is the culmination of years of hard work and dedication, and everyone associated with the crew should be proud.

Adding to this achievement was the outstanding performance of our second Under 19 Female crew, the “Yabbies”, who progressed all the way through to the Australian Final and finished sixth. Having two Avoca crews compete in the same Under 19 Female Australian Final was a first for our club and demonstrated the depth of talent emerging within our ranks.

Away from competition, the arrival and christening of our new surf boat, the Andy Hoban, was another major milestone. Made possible through the generosity of the Moran family, the new boat represents an investment in future generations of Avoca rowers and is something the entire section can be proud of.

None of these achievements happen without support. Behind every crew is a group of people who quietly give their time, energy and expertise to help others succeed. Our sweeps, coaches, mentors, boat builders, organisers, volunteers and supporters continue to form the backbone of the section. Their contribution often goes unseen, but it is never unnoticed.

We are equally grateful to our sponsors whose support allows us to provide opportunities, equipment and experiences that would otherwise not be possible. Thank you to the Moran Family, McGrath Real Estate Avoca Beach, Combined Demolition Services and REVL Kincumber for your continued belief in our program and our people.

As we close the chapter on another season, there is much to celebrate. Not only the medals, finals appearances and representative honours, but the friendships strengthened, the lessons learned and the culture that continues to grow.

The foundations have been laid for another exciting year ahead. We look forward to building on the momentum, welcoming new rowers into the section and continuing to represent Avoca Beach Surf Life Saving Club with pride.

A massive thanks to our sweeps, Matt Mitchell, Andrew Collins, Mitch Renouf and Dan Mitchell for your ongoing support and coaching of our crews. A big thanks also to Dunc Smith, Elle Mitchell and Trent McRae for your support and tireless work throughout another big year. It takes a village, and it wouldn't happen without your efforts.

Bring on next season.

Cheers

MASTERS REPORT

MASTERS CAPTAIN, JEFF SMITH

“A BIG THANK YOU TO ALL THE PARENTS, RETIRED MASTERS, ETC WHO FILLED IN AS AN OFFICIAL AT ANY OF THE CARNIVALS. YOUR SUPPORT IS WHAT ALLOWS US TO COMPETE. WITHOUT YOU THERE IS NO COMPETITION”

Another year has just flown by. Welcome to the 2025/26 Masters Report. Without sounding repetitive, the Male Masters Competitor of the Year is the Avoca Legend, David Broadbent. I won't go into listing Dave's numerous accomplishments this year as it would take up most of this report. Suffice to say Dave has been competing successfully from opens through to masters and is a true legend and leader in the club. The female masters competitor of the year has been won by one of the newer recruits to our club and one of our most dedicated (and talkative) trainers, Angela Veschetti. Angela tries her hand at everything, sprints, flags, swim, board. I am sure ski paddling in competition is next. Two very worthy recipients of the master's competitor of the year award.

A special congratulations to one of our lesser known masters. Stuart Harvey was awarded the Emergency Services Medal (EMS) at the 2026 King's Birthday Honours List for distinguished service as a member of an Australian Emergency Service. Most of us know Stuart as the President of Avoca Beach Surf Lifesaving Club. However, before he reached the lofty heights of President, Stuart was a very competitive Masters competitor. Winning the Board

Rescue at the 2006 World Surf Life Saving Titles (Lorne) in the 35-39 years age group.

We will start with the Australian Titles where we had a small representation of keen competitors. This was the second year at North Kirra. Highlight of the carnival was the Men's 170+ Taplin relay team defending their title from last year. Three extremely gifted athletes all doing their job to perfection. All results are listed on page 81.

State Titles were this year scheduled for one of our favourite beaches, Swansea Belmont (Blacksmiths) on 25 and 26 February. A reasonable turn up and we again punched above our weight. A great effort by all who competed. Results are listed on page 79.

I will close this season's master's update with a big thank you to all the parents, retired masters, etc who filled in as an official at any of the carnivals. Your support is what allows us to compete. Without you there is no competition. THANK YOU.

LADIES AUXILIARY REPORT

SECRETARY, CEC NORMAN

“THE AVOCA BEACH SURF LIFESAVING CLUB LADIES AUXILIARY WAS FORMED IN 1946 TO HELP THE CLUB TO RAISE FUNDS TO PROVIDE ESSENTIAL SURF LIFESAVING EQUIPMENT. SO, 2026 MARKS AN 80-YEAR MILESTONE FOR US”

President: Jan Gee
Vice President: Barbara Harvey
Secretary: Cec Norman
Treasurer: Jan Hoban

Throughout the 2025/26 season the Ladies Auxiliary continued to support the surf club via various fund-raising activities, and we plan to continue our support during the upcoming 2026/27 season.

The Avoca Beach Surf Lifesaving Club Ladies Auxiliary was formed in 1946 to help the club to raise funds to provide essential surf lifesaving equipment. So, 2026 marks an 80-year milestone for us. We will be celebrating our 80th birthday on 18th October and hope to see many past and current members reunited. The social committee is organising the celebrations.

FUNDRAISERS

Our fundraising activities this season consisted of Melbourne Cup Day, which raised \$605.00 and our Annual Australia Day Lamington Stall which raised \$1442.13. Thank you to the Social Committee members (Sue Lewis, Jan Hoban, Jacqui Thurlow, Jan King, Wendy Norman, Karen Duerden) and everyone that helped on the day.

Our surf club contribution this season was to support the Youth Development Scheme with a \$5,000 donation.

FINANCES

TREASURERS' REPORT

Lamington Sales	\$1,442.13
Melbourne Cup	\$605.00
Balance B/F	\$19,778.71
Term Deposit	\$10,500.00
Total Balance (as at 1 Mar 2026)	\$31,730.84

MONTHLY FRIDAY LUNCHES

These social outings were well attended and are a great social get together, especially during the winter months.

CONDOLENCES

We extend our deepest sympathies to our long-term members Annette Cahill, Brenda Buckley and Rhonda Sainsbury for the sad loss of their husbands, Brian, Frank & Max respectively who were great club members for many years. No words can express the depth of compassion we feel.

PATROLS

To all our very dedicated patrol members, who selflessly volunteer their time and service to keep Avoca Beach safe, we express our sincere thanks.

COMPETITION

To all our officials and competitors, Nippers, Juniors, Opens and Masters. Your efforts representing Avoca at club, Branch, State or Australian levels were exceptional.

OUR PRESIDENT

Jan Gee and the committee would like to thank all our members for their continued support and help. Our meetings were always well attended and entertaining. Well done girls.

Finally, thank you to the surf club executive board for your support and a very special thank you to all the club restaurant and office staff, Alex, Pavarne, Kristy, Emma and Elle. The Ladies Auxiliary are very grateful and appreciate your generous help with our fundraising events.

The Ladies Auxiliary Annual General Meeting for the 2025/26 season is to be held on 30th August 2026 at the Surf Club at 10:30am.

Cheers Boys & Girls

RESCUE OF THE YEAR

NEW YEARS EVE 2025 RESCUE - JANE GILLINGS, MATILDA HARVEY, STUART HARVEY, JASON LEWIS, OLIVE MORRISS, AUDREY PARKER, CHRIS PARKER, TIZIANA PORTESE, ANTHONY SHAW, PHILLIP WEBSTER, SALLY WEBSTER, STELLA WEBSTER, NICK WELCH

New Year's Eve at Avoca Beach was a challenging day, with large surf conditions resulting in multiple rescues carried out by Council lifeguards while on duty. As conditions deteriorated further, the beach was closed for the final hour as swimming became too dangerous.

Despite the conditions, many members of the Avoca Beach community gathered on the grass along the Point to watch the powerful surf roll in as the year came to a close.

At approximately 6:40pm, members of Avoca Beach Surf Club witnessed a person being pulled from the surf. They immediately recognised the seriousness of the situation and raced back to the club to alert senior members and parents that a person had been brought from the water and appeared unconscious.

Club members responded without hesitation, arriving with vital first-aid and medical equipment. Along with another member already on scene and the support of an off-duty medical professional, they commenced CPR. Thanks to the

training, preparation and medical knowledge of our members, early defibrillation was administered. CPR continued while the defibrillator was in use, which very likely saved the man's life.

After several shocks and continuous CPR, the patient regained his heartbeat and soon after regained breathing. Ambulance NSW then arrived, along with medical professionals who are also members of our club. The patient was carefully transferred to a waiting ambulance and transported to a nearby sports field, where the Westpac Rescue Helicopter had just landed.

Once stabilised, the patient was airlifted to hospital in a very serious condition.

We are incredibly proud of all members of Avoca Beach Surf Club – from the young SRC holders who first raised the alarm, to the senior members who responded with speed, professionalism and calm under pressure. Our footage shows it took just three minutes from the time the man was pulled from the water to the arrival of vital medical equipment.

A huge thank you also goes to the members of the public who assisted. This was a true community effort, and without everyone working together, this man may not have made it off the beach alive.

The patient, Clinton, returned home to his family on the coast following time in hospital and several major procedures. Clinton and his family have expressed their immense gratitude for the response and visited the club to meet some of the people who helped save Clinton's life and personally thanked them.

This outcome is a testament to the skill, preparation and dedication of everyone involved. To our members, emergency responders and members of the public who stepped in when it mattered most – thank you. Your swift actions, teamwork and professionalism directly contributed to saving Clinton's life, and you should be incredibly proud of what you achieved.

LIFE MEMBER NOMINATION STUART HARVEY

NOMINATED BY HOWARD JONES
SECONDED BY MIKE TAMBLYN

Stuart has been an exceptional lifesaver for over 25 years. Winning multiple branch, State and Aussie medals. His dedication to surf life saving has been shown by his various patrol long service awards and being awarded life membership of SLSNSW and SLSCC.

He also utilised his skill in saving a swimmer at Spoon Bay and received a Silver Medallion for Bravery and Rescue medal for Valour from the ILF.

Starting patrolling our beach in 2000 Stuart has held many roles - Nippers coach and age manager, IRB Trainer and Captain and is currently ABSLSC President. He has patrolled the beach for that time and participated in many rescues. He also was Champion Lifesaver in NSW five times.

In that time he has achieved 145 awards including training officer, assessor and facilitator in many disciplines helping train our members for many years. Also gaining his ART, IRBC, IRBD, Certificate IV in Workplace Training, First aid, Silver medallion and many more. These skills were valuable in keeping our beach safe.

Stuarts efforts at ABSLSC have been visible for all to see. In particular around the club. Increase on membership by 14% over three years, Increase in revenue of 1.1m over three years, Revamp of restaurant, new craft storage at back of the Club, Introduced Board Pro for Minute keeping, operations of all the Club

- **Nippers Age Manager** 2018-2025
- **NSW State Duty Officer** 2005-2017
Started from the beginning with no staff assistance. On call 24 hrs a day (13SURF)
- **Life Member SLSCC** 2008
- **Life Member SLSNSW** 2015
- **Silver Medallion Bravery SLSCA** 2006 - Rescue Spoon Bay
- **Rescue Medal of Valour ILF** 2006 - Rescue Spoon Bay
- **State Power Craft Advisor** 1996-1999
NSW State Titles, Colnarra
- **15 Time Finisher of Ironman triathlon** 2006-2019
- **One time finisher of The Hawaiian Ironman**

SPECIAL EVENTS

GOLF DAY DECEMBER 2025

The Avoca Beach SLSC Annual Golf Day was once again held at Gosford Golf Club. While attendance was lower than anticipated, with participation in the mid-40s, the event remained an enjoyable and successful day for members and guests. Unfortunately, only a small number of club members took part this year.

The event was generously sponsored by Stone & Wood, Hip Pocket Workwear, Grip Star Socks, Avoca Beach SLSC, and Paks. Their continued support is greatly appreciated and contributes significantly to the success of the day.

Garry Clarke once again coordinated the event. After more than a quarter of a century of involvement in organising the Golf Day in various capacities, Garry has decided to step aside and hand the role over to new volunteers. The club extends

its sincere thanks to Garry for his longstanding commitment and dedication to this event.

The overall winning team comprised Matt Renshaw, Luke Black, Matt Black, and Nathan Stothard. Individual awards were presented to John Day, who won Nearest to the Pin, and Dane Clarke, who claimed the Longest Drive title.

Following the completion of play, participants returned to Avoca Beach SLSC for lunch and the presentation of prizes. The club would like to thank Alex and his staff for their assistance with catering and Mark Mackaness for coordinating the support from Stone & Wood.

Overall, the day provided an excellent opportunity for members and guests to enjoy friendly competition and social interaction while supporting the club.

LIFE MEMBERS' ANNUAL LUNCHEON

The annual life members luncheon held in October continued a tradition of some twenty five years. It is a chance for the members to gather, reminisce and discuss the club's many achievements, its finances and its future. While he was unable to be present due to a prior commitment we were very pleased as a group to welcome Stu Harvey as our newest and much deserved Life Member as confirmed at the AGM.

The strength of the club in competition and its core business of saving lives through its patrolling over the season continues to be a source of pride for each member. We now look forward to the fast approaching centenary of this great club with input from each of us to ensure its success.

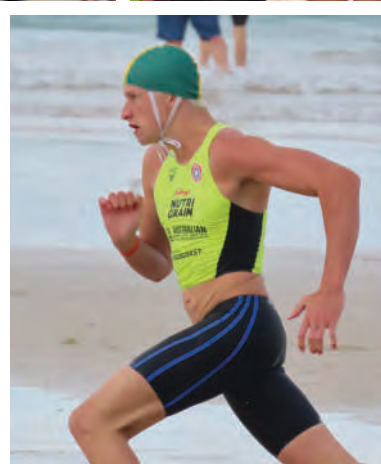

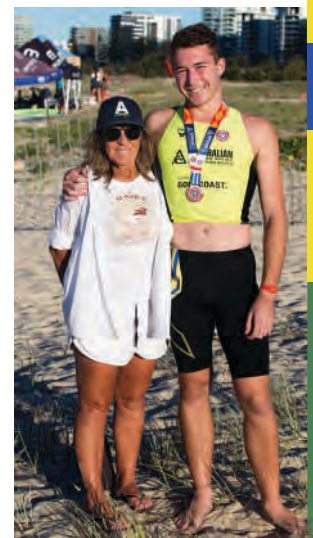

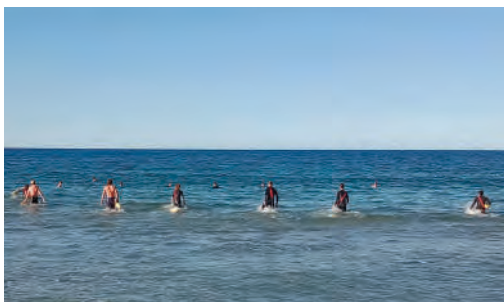

As a final note the support of the catering staff in the day's organisation is much appreciated.

Robert Cairncross

ANZAC DAY

A huge turnout again this ANZAC day for the dawn service run by the Avoca Beach Community Association. Thanks to Felicity Jones and Ziggy Walkaden for laying a wreath on behalf of the club. The BBQ breakfast upstairs was also a huge success with all proceeds to Legacy. Two-Up kicked off upstairs at 1pm, run by Rocky and Larson Wolters.

JUNIOR ACTIVITIES REPORT

JUNIOR ACTIVITIES CHAIR, PHIL WEBSTER

“A CENTRAL PILLAR OF OUR YOUTH DEVELOPMENT PROGRAM IS NIPPERS, WHICH IS DESIGNED TO BUILD CONFIDENCE AND DEVELOP FUNDAMENTAL SURF LIFESAVING SKILLS IN OUR YOUNGEST MEMBERS”

As the season concludes, it is appropriate to reflect on what has been an exceptionally successful and productive year.

A central pillar of our youth development program is Nippers, which is designed to build confidence and develop fundamental surf lifesaving skills in our youngest members. This year saw record participation, with more than 400 children under the age of 14 registered in our Sunday Nippers program.

Our club also continues to support one of the largest contingents of junior surf lifesaving athletes in the country, competing at branch, state, and national levels. These athletes demonstrate a high level of commitment, undertaking training multiple times per week. In recent years, pre-season training

has commenced earlier to ensure athletes are optimally prepared for competition.

Across all beach and water disciplines, our junior athletes have achieved outstanding results, with medal success and recognition at levels not seen for over a decade. A detailed summary of these achievements is provided later in this report.

Our junior members represent the future of beach safety. This year, 35 junior participants successfully completed their Surf Rescue Certificates, formally recognising them as qualified lifesavers. These members have since joined active patrols, contributing their time and effort to help ensure the safety of both local community members and visitors.

In addition, several junior members were formally recognised for their significant contributions to the SLSCC rescue of the year, highlighting the meaningful role they already play within the organisation.

Underlying all junior activities is a dedicated group of volunteers who generously contribute their time and expertise. These individuals support programs from early morning through to late in the day, often without seeking recognition. The Club acknowledges and sincerely thanks all volunteers for their ongoing commitment and invaluable contribution to the success of our junior program.

This is my final report as the Director of Youth activities. After four years it's the time to hand on the baton. I would like to thank everyone for their support and look forward to seeing everyone on the beach next year.

Phil Webster

VALE - IN MEMORY OF

BRIAN CAHILL

Brian Cahill was a Life Member and past president of Avoca Beach SLSC. Brian was an outstanding contributor to many aspects of Avoca Beach SLSC and Surf Life Saving movement will be missed.

CLINTON WAY

Clinton Way was a great clubman and a fierce competitor in the ocean, particularly on craft and in surf swimming in big seas.

He served as a lifeguard in our area and was highly respected by younger members of the club and community, as well as a good friend to many. He will be fondly remembered by all who knew him.

MAX SAINSBURY

Max Sainsbury was a long-term member of the club having gained his bronze medallion 70 years ago in 1955.

He achieved a remarkable milestone in 2005, when he had achieved fifty plus consecutive years on patrol for Avoca Beach Surf Club, something very few lifesavers in the country have achieved.

He was an exceptional athlete in beach events, in musical Flags events (as it was known then). So quick off the beach, he was christened "The Human Coil Spring" by carnival commentators. He was an athlete in many sports outside of the surf club, including water polo, basketball, men's hockey and board riding.

Max was renowned as fearless on a wave ski in the most challenging of surfs on Avoca Point. Those surfing skills carried onto his famous son, board World champion, Mark "Sanga" Sainsbury who competed at the highest level around the world.

Max Sainsbury was dedicated to his career as an industrial arts high school teacher, teaching at many schools in Sydney and the Central Coast.

We pass on our deepest condolences to his wife Rhonda, daughter Karen and his grandchildren Luke, Brea and Benji.

It is understood that Max's wishes were to not have a funeral, however he wanted his ashes to join those of his son Mark off Avoca Point at some future time.

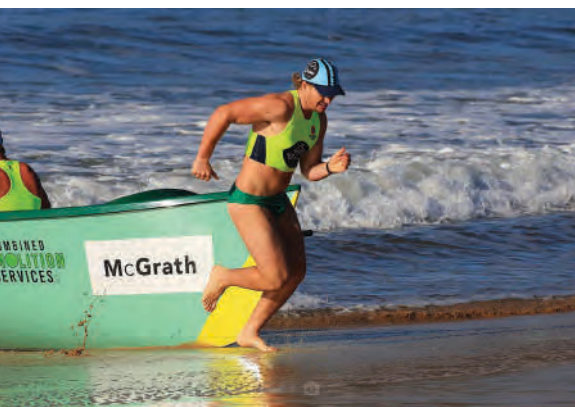

FRANK BUCKLEY

6 July 1939 - 18 December 2025

Frank Buckley joined the club in 1956 and was one of the original Bunk Room Boys from Auburn. He met his wife Brenda at Avoca Beach and together they continued their life long association with the club and Avoca community. Holidaying in the old caravan park with family before eventually moving permanently to Avoca, making many life time friends.

Our thoughts are with wife Brenda, children Adam, Racheal, Justine, Sarah and their families. Frank was very proud of his Grandsons who continued the club association. Peter, Brad and Ben Mitchell, and as a boatie himself of Brad's Australian team representation.
